Accessible Anywhere and Ready When You Are

To provide more equitable access to a world-class education, we offer many of our graduate programs in an online or hybrid modality. For graduates completing their degrees in a 100% online format, courses are available on an easy-to-use, cloud-based learning management system.

For graduates completing their degrees in a hybrid format, we do our best to accommodate your personal and professional obligations and offer convenient course scheduling and evening classes to fit your busy life.

Admissions are accepted year-round for fall, spring, and summer terms, so there's no wrong time to start. Plus, some programs can be completed in as little as one year, so you can earn your degree and advance your career sooner.

The program is incredibly flexible—making it easily doable with your work schedule. It is not overwhelming at all. Another great thing about the program is that you learn more than good leadership traits. You learn to see other people’s perspectives, nurture your emotional intelligence, and communicate clearly.
